 4. We, with heav - en's host re - jice, the Prince of peace pro - claim,

God comes from be - yond the sky, and shows him - self our friend!  
 tid - ings of their hum - bled Lord, they now to mor - tals bring;  
 dwel - ling in an earth - ly form, whom heaven can - not con - tain!  
 joined as one, we lift our voice, and shout Im - man - uel's name:

God, the in - vis - i - ble, ap - pears, God, the blest, the great I AM,  
 emp - tied of his ma - jest - y, of his dazz - ling glo - ries shorn,  
 stand a - mazed, you heavens, at this! see the Lord of earth and skies!  
 knees and hearts to him we bow, of our flesh and of our bone,

soj - ourns in this vale of tears, and Je - sus is his name.  
 be - ing's force be - gins to be, and God him - self is born!  
 hum - bled to the dust he is, and in a man - ger lies!  
 Jes - us is our broth - er now, and God is all our own!
