Light Up The Beacons

Words and music: Neill A. Burgess

(CHORUS)

Light up the beacons, let the good news fly
Over the mountains and across the sky.
Light up the beacons, from shore to shore,
This is the love that you've been looking for.

(VERSE 1)

Repentance is the key,
That opens up the door,
To life and liberty,
In Christ forevermore.
Believe in the Lord and hear him say,
"It's going to be okay."

<REPEAT CHORUS>

(VERSE 2)

Breathe in the stillness and
The oxygen of peace.
Burn with a passion that
Will bless and never cease.
The Spirit of God is moving here:
To gather children in.

(REPEAT CHORUS)

(BRIDGE)

Wake up! Turnaround!
Put your feet on solid ground.
Wake up! Come on home!
A child of God is never alone.

(REPEAT BRIDGE)

(REPEAT CHORUS)
