Stand Up & Bless The Lord Your God
(Nehemiah 9:5)

Words and music: Neill A. Burgess & Howard J. Prior

(Chorus)
Stand up and bless - the Lord your God
He is forever and - forever.
Stand up and bless - the Lord your God
And lift up his glorious name!

(Verse 1)
Build him a place, a place for his glory
Let all the world know he is there.
Build him a place, a place for his glory
Let his enemies beware.
Build him a place, a place that is holy
Humble yourselves before your King.
Build him a place, a place that is holy
Honour him in ev'rything.

(Repeat Chorus)

(Verse 2)
Build him a place, a place for his people
Where they will hear his word proclaimed.
Build him a place, a place for his people
Never let them be ashamed.
Build him a place, a place for his worship
Raise up a song and join as one.
Build him a place, a place for his worship
Giving thanks for all he's done.

(Repeat Chorus twice)
